@ Home deliveries

Dear valued @ Home Customer.

We would like to take this opportunity to thank you for supporting us with the @ home service that we have been offering for the past year. We have been delighted to have been of service and trust that the experience has been mutual.

It is with regret that we have to inform you that this service will be coming to an end on the 31st May 2021 due to operational requirements. As a valued customer you will be able to place orders up and until the 31st May 2021 and we will gladly deliver the week that follows.

We thank you for your support during this time and thank you for understanding.

Kind Regards
