Dear valued Bidfood customer,

This letter serves to inform you that after careful consideration, we have decided to terminate the Bidfood home delivery service for the Bidfood Durban branch effective from the 1st of August 2021.

We want you to know that we greatly appreciate your support for these past few months, but there are not a sufficient number of customers for the home delivery service and thus it is no longer viable for us to continue to offer this service in the Durban area.

Please note that all outstanding and new orders will still be delivered up to the 31st of July 2021, and we will not be accepting any new orders after the date of service termination.

Should you require any further information, you can contact me directly at craig.rawbone@bidfood.co.za

Your sincerely,
